

Partnerships for Strategic Impact™

Real Life. Real Results.

OUR IMPACT

After 7 years of working with nonprofits, foundations, and corporate CSR's, see what clients are saying!

100% of clients highly recommend PSI

"PSI provided concrete advice and support for our **program development** and **outcome measurement** process. They were such a great help and we are so grateful."

At PSI, we partner to generate knowledge positioned to **advance social justice, equity, and return power** to those who have been disenfranchised.

"We are **better able to communicate** our growth trajectory to our funders and stakeholders and have more clearly aligned our **strategic goals and impact.**"

100% say PSI helped their organization move forward

"Our Board came away with a 3-year strategic plan to better align our focus with what our members need and **how to keep our organization relevant** going forward."

78% used results in grant writing & fundraising

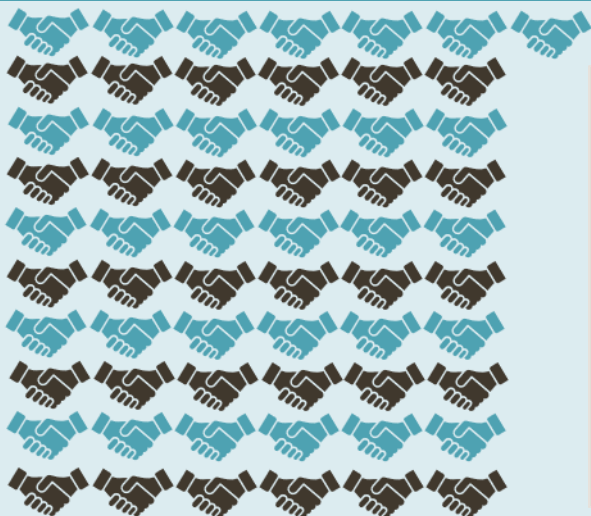

72% used results in communication & fundraising

"PSI provides amazing facilitation, clarity, and results."

Founded in 2013
